

NON TOXIC TOYS

Making daycare centers safe for play!

Here's your chance to learn:

- ❖ What toxins have been found in toys
- ❖ Recall and testing information sources
- ❖ How chemicals affect young children and the environment
- ❖ What are phthalates and bisphenol-A
- ❖ What the Consumer Product Safety Improvement Act is and how it affects children's safety

Wednesday February 18, 2009

7:00pm

Rochester Childfirst Network

941 South Avenue

Rochester

Sponsored by the New York State Pollution Prevention Institute (NYSP2I) and Rochester Childfirst Network.

Funding provided by the New York State Department of Environmental Conservation.
